Background	<p>Historically Rohingya community in Myanmar has been victim of persecution, biggest surge has happened during last part of 2017. More than 1 million Rohingya community living in Ukhiya and Teknaf sub district of Bangladesh. Humanitarian agencies with the leadership of government of Bangladesh trying best to support the community with best possible approach for their living, but in recent years there are dwindling situation of aid flow. All are trying best for keep global attention on Rohingya community.</p> <p>There is little effort in respect of repatriation, situation has been jeopardized while there is all most civil war in Myanmar now. Security situation has also worsened in the refugee camps of Ukhiya and Teknaf. Not only in environmental degradation, but local host community also facing several challenges. There are tensions in the boarder but govt of Bangladesh has taken prudent approach not to escalate the boarder tensions.</p> <p>Case against Myanmar government on Rohingya issue in ICJ (International Court of Justice) proceeding slowly.</p> <p>Alliance of progressive civil societies of CCNF each year organize such an event on the eve of 20th June World Refugee Day, especially to reiterate our commitment to human dignity to Rohingya community.</p> <p>This year especially we should discuss that (i) how we can deescalate security situation through community participation and effective role of law and order agencies of government of Bangladesh, (ii) how we can facilitate less aid dependency of Rohingya community in the camps in promoting localization through the involvement of local government and local NGOs, (iii) what we can suggest to govt of Bangladesh to best facilitate human dignity to the Rohingya community, (iv) what Rohingya diaspora community can organize themselves to strengthen their movement in international level, and (v) how we can best urge international community to facilitate justice to the Rohingya community by their effort.</p>
